

Michael Sasso Candidate for Vice President

My name is Michael Sasso, Barry Law Class of 2011, and I am running to serve as the Vice President of the Barry Alumni Board. It is my personal goal to build an active, rewarding Barry Alumni chapter that all Barry alumni are proud to be a part of. I would be honored to have your support in achieving that goal.

As a student at Barry I had the privilege to participate as a member of the Barry Trial Team and as an Associate Editor of the Barry Law Review, and also a very rewarding experience as the Vice President of the Christian Legal Society.

Since graduation, I have focused my practice in the area of civil litigation in Seminole County and Orange County. I also volunteer with the local bar, and currently serve as the Treasurer of the Seminole County Young Lawyers Division, as a member of the Board of Directors of the Seminole County Bar Association, as a member of the Board of Directors of the Seminole County Inns of Court, and as a Trustee of the Seminole County Law Library. My most rewarding time, however, is still spent as a volunteer guest judge for the Barry Trial Team, and I now hope to give back more to our school.

In the coming year I will work as a member of the Barry Alumni Board to substantially increase networking opportunities for Barry Alumni, to build better community relationships through organized philanthropy projects, and to provide opportunities for Barry Alumni to give back directly to current Barry Law students. It would be a great privilege to have your support and vote on January 10th.
